#### **§ 4.434 Conduct of hearing.**

So far as not inconsistent with the prehearing order, the examiner may seek to obtain stipulations as to material facts. #### **§ 4.435 Evidence.**

(b) Objections to evidence will be ruled upon by the administrative law judge. Such rulings will be considered, but need not be separately ruled upon, by the Board in connection with its decision. Where a ruling of an administrative law judge sustains an objection to the admission of evidence, the party affected may insert in the record, as a tender of proof, a summary written statement of the substance of the excluded evidence and the objecting party may then make an offer of proof in rebuttal.

Upon completion of the hearing and the incorporation of the summary or transcript in the record, the administrative law judge will send the record and proposed findings of fact on the issues presented at the hearing to the Board. The proposed findings of fact will not be served upon the parties; however, the parties and the Bureau may, within 15 days after the completion of the transcript or the summary of the evidence, file with the Board such briefs or statements as they may wish respecting the facts developed at the hearing.
